2018-2019 Odd Semester Registration

The registration for Extra Time, Contact and Re-registration (redo with juniors) shall be done online through the link published at the end.

Procedure:

You will find two forms here below:

1. Registration - 2018-2019 Odd Semester(Runtime Redo and Contact Redo)

2. Registration - 2018-2019 Odd Semester (Redo with Juniors). Fill all the data in capital letters.

3. Email address - valid e-mail address has to be entered. This email is used for all further communication.

4. Regular/Term out Students - Existing students should select 'Regular' and passed out students should select 'Pass outs'.

5. Date of Course Extension Expiry - Passed out students shall mention the date of expiry of the extension and others can fill it as 'NA'

6. Roll Number - alphabets to be entered in capital letters.

7. Name - to be entered in capital letters.

8. Current Semester - Your present (upcoming) semester.

9. Branch – select the branch of study.

10. Old Course Code (if registered in past semesters) - this has to be filled, only if you are opting for a course equivalent to your arrear course.

11. New Course Code (Required to study) - code of the course to be registered.

12. Course Title (of the new course code) - title of the course to be registered.

13. Core/Core Elective/Open Elective/Humanities Elective/Science Elective - Category of the course, whether it's, core, core elective, open elective, humanities or science elective.

14. Mode of course - you need to select 'Extra Time Redo' if the course to be registered is through Extra time mode and 'Contact', if the course to be registered is through Contact mode.

15. If "Redo" with juniors, mention the branch, semester, and batch of the course (else your registration will be incomplete) - **this option is only for the students registering a course with juniors**. They have to compulsorily mention, the Semester, branch and batch to which he/she has to be registered.

Note:

1. ***Redo in Change of elective - Registration of an elective course, by replacing the elective, can be done only through Extra time redo or re-registration with juniors.***
2. ***An elective course (without replacing) can be registered via contact mode, if the student has not scored an FA.***
3. ***Contact Course - Final-semester students and term-out students may register for contact mode provided the student has not scored an FA. A maximum of only two courses can be taken under Contact mode, in the entire programme of study.***

Below is the link to fill the forms
