Remedial Measures:

- Re-registration (Redo with Juniors)

Courses for Re-registration will be available in AUMS form – 21-11-2019 - 04:30 pm

Note: **Student Online endorsement and department endorsement is compulsory for Redo with juniors.**

Ensure that there is no class timetable and exam slot clash before doing the endorsement.

- Runtime Redo (Extra time redo) and Contact.

Courses will be available in AUMS for students to register from 02-12-2019.

Students will have to do the online registration and pay the fee online for run time redo courses. They will be automatically assigned to the classes. ***Department endorsement in not required.***

Please note: If department endorsement is done for run time redo courses, it may cause issue in students getting allocated to respective classes. Hence this step is not recommended.

Final year students who are eligible to register for contact courses should give the details to their respective departments.

Eligibility for Contact course - Student should not have scored 'FA' grade
