

Amrita School of Engineering & Amrita school of Computing, Amritapuri Campus

Mid term examination timetable S3 BTech (2022-23 ODD Semester) December

Date and session	AIE	CSE	ME	ECE	EAC	EEE	ELC
05-12-2022 AN Monday	21MAT204Mathematics for Intelligent Systems 3	19MAT201Numerical Methods <i>(2hour End semester)</i>	19MAT 210Probability and Complex Variables	19MAT205Probability Theory and Random Processes	19MAT209Linear Algebra and Optimization Techniques	19MAT214Fourier Transforms and Complex Analysis	19MAT214Fourier Transforms and Complex Analysis
06-12-2022 AN Tuesday	21AIE201Introduction to Robotics	19CSE202Database Management System	19MEE 201Thermodynamics	19ECE201Analog Electronic Circuits	19EAC204Computer Organization and Architecture	19EEE205Fundamentals of Mechanical Engineering	19ELC204Electric Machines
07-12-2022 AN Wednesday	21AIE202Operating Systems	19ECE204Digital Electronics and Systems	19MEE 203Mechanics of solids	19ECE202Applied Electromagnetics	19EAC203Data Structures and Algorithms	19EEE206Material Science for Electrical Engineering	19ELC205Microelectronic Circuits
08-12-2022 AN Thursday	21AIE203Data Structures & Algorithms 2	19CSE201Advanced Programming	19MEE 204Metallurgy and Material science	19ECE204Digital Electronics and Systems	19EAC205Mathematics of Signal Processing	19EEE202Analog Integrated Circuits	19ELC201Sensors and Sensor Circuit Design
09-12-2022 AN Friday	21AIE204Introduction to Communication Systems	19CSE205Program Reasoning	19MEE 202Manufacturing Process I	19ECE203Signals and Systems	19EAC201Electronic Circuits I	19EEE204Electrical Measurements	19ELC203Computer Architecture
12-12-2022 AN Monday	21BIO201Intelligence of Biological Systems 3	19CSE204Object Oriented Paradigm	19HUM242:The Message of Bhagwad Gita/19HUM243:The Message of the Upanishads/19SAN101:Sanskrit I		19EAC202Network Theory	19EEE201Electromagnetic Theory	19ELC206Operating Systems
13-12-2022 AN Tuesday						19EEE203Digital Systems	

Timings : AN 1.30pm to 3.30pm
