

AMRITA VISHWA VIDYAPEETHAM**Amrita School of Engineering and School of Computing, Amritapuri Campus****Updated Mid term Examination timetable for Remedial Courses (2023 - 24 Odd Semester)November 2023****03-11-2023 FN Friday**

15CSE312:Computer Networks

19CSE301:Computer Networks

15MAT121:Vector Calculus and Ordinary Differential Equations

CA202:Object Oriented Programming (MCA)

19CSE214:Theory of Computation

19CSE101:Computer Systems Essentials

19CSE201:Advanced Programming

19CSE202:Database Management System

19CSE303:Embedded Systems

19CSE305:Machine Learning

19CSE356:Social Network Analytics

19EAC201:Electronic Circuits I

19EAC213:Digital Signal Processing and Processors

19EAC312:Data Base Management Systems

19ECE303:Radio Frequency Engineering

19ECE313:VLSI Design

19ECE339:Optical Engineering

19ECE345:Computer Systems Architecture

19EEE303:Electrical Machines II

19MAT205:Probability and Random Processes

19MEE354:Power Plant Engineering

19MEE213:Heat Power Engineering

21CSA113:Programming in C**20CSA111:Database Management System****18CSA114:Database Management System****21CSA112:Database Management System****21CSA213 Advenced Java and J2EE****18CSA306 Advenced Java and J2EE****07-11-2023 FN Tuesday**

19CSE314:Software Engineering

15CSE313:Software Engineering

CA204.:Data Structures (MCA)

18ENG103:Additional English I

18OEL241:Fundamentals of Network Administration

19CSE204:Object Oriented Paradigm

20CSA349:Block Chain Technologies

18ENG121 :Professional Communication

19CSE212:Data Structures and Algorithms

19EAC205:Mathematics of Signal Processing

19CSE304:Foundations of Data Science

19EAC212:Electronic Circuits II

19ECE454:Image Processing

19MAT102:Matrix Algebra

AMRITA VISHWA VIDYAPEETHAM

Amrita School of Engineering and School of Computing, Amritapuri Campus

Updated Mid term Examination timetable for Remedial Courses (2023 - 24 Odd Semester)November 2023

09-11-2023 FN Thursday

19ECE363:Machine Learning

15CSE401:Machine Learning and Data Mining

19CSE313:Principles of Programming Languages

C# and .Net Frame work

13-11-2023 FN Monday

21AIE302 Advanced Computer Networks

18CSA206:Object Oriented Programming using C++

15EEE111:Fundamentals of Electrical and Electronics Engineering

13-11-2023 AN Monday

21CSA341 Computer Graphics

18CSA311 Artificial Intelligence

Timings : FN 9.30am to 11.30am/AN 1.30pm to 3.30pm
