

Amrita School of Engineering & Amrita School of Computing, Amritapuri Campus

Revised Supplementary Examination Timetable M.Tech.. (2024-25 Even Semester) June -July 2025

Timings : FN 9.30 am to 12.30 pm AN 1.30 pm to 4.30 pm

Date and session	CSN	AIML	ARI	GEO	RAU	TF	MTN	VLSI	BMI	WNA
17-06-2025 FN Tuesday	21SN605 System Security	21AM642 Machine Learning	24AI746 Artificial Intelligence for IoT	23WN749 Introduction to Deep Learning	23RA604 Machine Learning	22AVP103 Mastery Over Mind		21VL613 Analog VLSI Circuits	23BI603 Embedded System Design	23WN601 Signal Processing for Wireless Communication
19-06-2025 FN Thursday	21SN633 Cybersecurity Governance	21AM601 Advanced Data Structures and Algorithms		23WN603 Principles of Wireless Communication Systems		23MA607 Advanced Engineering Mathematics				21MA618 Probability and Statistical Inference
26-06-2025 FN Thursday		21AM602 Computational Methods for Optimisation		23GE603 Principles of remote sensing		23TF602 Advanced Heat Transfer				21WN612 Embedded System Design
27-06-2025 FN Friday	21SN612 Reverse Engineering and Malware Analysis					23TF603 Advanced Engineering Thermodynamics				21WN604 Design and Analysis of Algorithms
01-07-2025 FN Tuesday		21AM644 Foundations of Artificial Intelligence					22MT603 Sensors and Actuators			23WN681 Advanced Computer Programming
02-07-2025 FN Wednesday	24SN603 Computer Networks and Security	21HU602 Career Competency I/23HU601 Career Competency - I		23HU601 Career Competency I*			22MT602 Embedded Computing and Programming			
03-07-2025 FN Thursday	24SN604 Cryptography and Applications	21MA607 Linear Algebra and Probability					22MT605 Theory and Design of Control Systems			
04-07-2025 FN Friday	23HU601 Career Competency - I	24MA605 Mathematical Foundations of Computing	23HU601 Career Competency - I
