

**Amrita School of Engineering & Amrita School of Computing,
Amritapuri Campus**

M.Tech. Supplementary Examination Timetable (2026-27 Odd Semester) - (September-October 2026)

Timings: FN 9.30 AM to 12.30 PM, AN 1.30 PM to 4.30 PM

**15-09-2026 FN
Tuesday**

Course code and Title

23BI611 IoT in Healthcare

**16-09-2026 FN
Wednesday**

Course code and Title

23RM704 Research Methodology

25RM701 Research Methodology

**16-09-2026 AN
Wednesday**

Course code and Title

23BI742 Biomedical Image Processing

**18-09-2026 FN
Friday**

Course code and Title

23GE614 Geotechnical and IoT monitoring methods

24AI750 Cloud and Big Data Analytics

24SN611 Reverse Engineering and Malware Analysis

25GE614 Geotechnical and IoT Monitoring Methods

25MA605 Advanced Engineering Mathematics

25WN612 Intelligent Internet of Things

**18-09-2026 AN
Friday**

Course code and Title

22MT602 Embedded Computing and Programming

M.Tech. Supplementary Examination Timetable (2026-27 Odd Semester) - (September-October 2026)
Timings: FN 9.30 AM to 12.30 PM, AN 1.30 PM to 4.30 PM
22MT612 Soft Robotics
23GE613 Applied machine learning
23HU611 Career Competency-II
23MA607 Advanced Engineering Mathematics
23RA604 Machine Learning
24AI746 Artificial Intelligence for IoT
25BI612 Applied Machine learning
25BI613 Biomedical Signal Processing
25GE611 Advanced Remote Sensing and AI
25MA732 Linear Algebra and its Applications
19-09-2026 FN Saturday
Course code and Tittle
23BI603 Embedded System Design
23GE741 Introduction to Deep Learning
23WN681 Advanced Computer Programming
19-09-2026 AN Saturday
Course code and Tittle
23GE731 Climate Change and Sustainability: A Modelling Perspective
23WN603 Principles of Wireless Communication Systems
24SN639 Security of Internet of Things
25WN603 Emerging Wireless Communication Systems
