श्रद्धावान् लभते ज्ञानम्

Amrita School of Engineering & Amrita School of Computing, Amritapuri Campus

B.Tech. - End Semester Examination Timetable for Remedial Courses (2026-27 Odd Semester) - (November 2026)

Timings: FN 9.30 AM to 12.30 PM

26-11-2026 FN Thursday
19MEE211:Computational Methods in Engineering
19MEE111:Engineering Mechanics
21ARE203:Mechanics of Materials
23CSE115:Algorithmic Thinking and Computer Programming
23ECE114:Network Analysis
23MEE213:Computational Methods in Engineering
21PHY104:Computational Engineering Mechanics 1
15CSE376:Net Centric Programming
19ECE214:Communication Theory
19CSE304:Foundations of Data Science
19MEE313:Design of Machine Elements - II
23ECE112:Signal Processing I
27-11-2026 FN Friday
19MEE213:Heat Power Engineering
22ADM111:Glimpses of Glorious India
21MAT205:Differential Equations and Numerical Methods
19MEE314:Introduction to Finite Element Method
19MEE436:Nano Technology and Surface Engineering
15SSK221:Soft Skills I
21AIE204:Introduction to Communication Systems
21AIE214:Bigdata Analytics
23ECE216:Machine Learning
19ECE363:Machine Learning
23EEE215:Control Systems
24CYS211:Probability and Statistics
30-11-2026 FN Monday
19MAT114:Differential Equation and Transforms
23MAT129:Differential Equations and Transforms
24CYS213:System Security
19MEE212 Fluid Dynamics and Machinery
